Discussion

- Call to Order/Introductions/Agenda Review
- Instruction Update
 - Shared feedback from webinars and in-person workshops.
- Reviewed Training Program survey results and prioritize suggestions for the next year.

- **DECISION:** NC LIVE will put out a call for presenters for the training program in 2025. The training program will then send out its next program-wide survey in 2026. Each year will alternate between sending out a survey and sending out a call for presenters to encourage new topics and recruit presenters from member libraries.
- Discussed ways that the training program can encourage increased usage and marketing of NC LIVE resources this spring.
 - **DECISION:** Devon will offer a webinar on March 18th on troubleshooting NC LIVE resources for frontline staff. There will also be two panel discussions (one for public libraries and one for academic libraries) this spring to share best practices for promoting and facilitating usage of NC LIVE resources. Dawn Behrend will advise on this project this year.
