

Ace the GED® Test using resources from EBSCOlearning

Looking to earn your high school equivalency credential?

EBSCOlearning offers interactive tutorials, practice tests, e-books and flashcards to help you prepare for the official GED® test and improve your academic skills in these core areas:

- Language Arts
- Math
- Science
- Social Studies

Practice tests also include instant score reports for questions, and sample responses and a scoring guide for the essay.

**You'll also master the
computer skills needed to
take the GED® test online.**

Question types include:

- Drag-and-drop
- Fill-in-the-blank
- Drop-down selection
- Multiple choice
- Hot spot (visual)
- Extended essay response
