

# Prep Smarter, Not Harder

EBSCOlearning offers complete, test-specific, guided courses for the ACT® and SAT® exams.

## Features include:

- Integrated learning pathways that allow you to progress through resources step-by-step or choose specific branches based on diagnostics or preference
- Diagnostic pretests, progress checks, post-tests and practice tests with detailed score reports that identify your strengths and weaknesses and provide easy access to targeted recommendations
- A full suite of test-specific microlessons covering test information, topics and strategies, plus additional resources such as e-books, games, interactives, flashcards and more
- A universally accessible interactive glossary of test terms and concepts you should know
