

STUDENT SUCCESS COURSE

DEMONSTRATE YOUR LIBRARY'S VALUE

This **free, self-paced course** can help academic library professionals understand the impact of their library's services on student success.

HOW TO SIGN UP

1. Go to reporter.ncsu.edu and select "Create New Account."
2. Go to <https://go.ncsu.edu/nclive-studentsuccesscourse>
3. Enter the enrollment key: nclivestudentsuccesscourse

WHAT YOU CAN LEARN

- Data analysis and impact measurement
- Decision-making guided by data
- Simplified data concepts
- Direct applications to your library

This course is self-guided and can be taken at your own pace.

1 UNDERSTAND THE DATA

- Clean up and format large data sets
- Match student data with success metrics
- Find tools for easy analysis

2 TRY GUIDED PRACTICE

- Download sample data sets
- Watch tutorials of common statistical tests

3 BUILD A STORY

- Create an action plan
- Communicate your findings
