

3 THINGS TO KNOW ABOUT JUST FOR KIDS STREAMING

1 Search by collection

Find popular collections on the homepage, like “Early Learners” and “Books and Stories Brought to Life.”

2 Use the menu to quickly locate content

In the top right corner of each page, click on the button to find the menu. All the content is organized by subject (math, reading, history), collection, and producer (*Sesame Street*, *Reading Rainbow*).

3 There are more than just videos!

The search results page is divided into video, audio, and interactives. Interactives are games that can be played on Just For Kids.

Search Challenges

Beginner

Find a *Sesame Street* video about the letter A.

Intermediate

A parent is trying to find a story time about *Jack and the Beanstalk* for their child. How can they find that?

Advanced

A student struggling with fractions and needs some practice. What would you recommend they use to practice in Just For Kids?
