

# 3 THINGS TO KNOW ABOUT NOVELIST PLUS

## 1 “Read-alikes” are your friend

On the right side of every author, book, or series page, find “read-alikes.” These recommendations can be voted up or down based on their relevance.

## 2 Use appeal terms to fit your style or mood

Check out the “Browse by Appeal” page or view an author, book, or series page to see the terms that NoveList uses to offer recommendations based on story elements, like writing style or tone.

## 3 Search for what you know

Enter keywords (hint!) as well as your favorite author, book, or series in the search bar and get recommendations based on what you like.
