

# 3 THINGS TO KNOW ABOUT PROQUEST CENTRAL

## 1 There are many ways to narrow your search

On the left side of the search results page, you can limit the results by source type (article, blog post, etc.), publication date, and by subject.

## 2 Access the latest issues of major newspapers

Read *The New York Times*, *The Washington Post*, and *The Wall Street Journal* all on the platform.

## 3 Specify what subject databases you want

Click on the menu with three bars in the top left corner of every page and select "Change Databases" to check or uncheck relevant subject databases for your search.

## Search Challenges

---

### Beginner

Find today's issue of *The New York Times*.

### Intermediate

Help a retiree who is looking for recent articles on pickleball.

### Advanced

A professor requests that his students find a peer reviewed scholarly article on digital literacy in the United States published in the last five years. Help them find some options.
